

CASEY NEILON

Entrepreneurs Are Big Dreamers. We Help Them Make Those Dreams A Reality.

Business owners – especially entrepreneurs and those who run a family business – face complex situations that affect both their work and their homelife. Casey Neilon understands that better than most firms and has dedicated itself to the success of entrepreneurs and their families. We are our clients' most trusted advisor because we look at the world through their eyes while applying our expertise. That's how we help them reach their dreams. If you'd like to do more than just mitigate taxes or if you just like helping dreams come true, then you want to be on the Casey Neilon team.

Internship

What you'll get to do:

- You'll see quickly how your academic career translates to a professional environment as well as the areas it doesn't.
- You'll work directly with both tax and audit professionals, gaining hands-on experience in both roles.
- You'll participate in tax training sessions because education never stops.

What we need you to do:

- You must be enrolled in an accounting program with sufficient course work to become a CPA.
- You must be available for 20 hours/week of work in addition to your educational commitment.
- You must have a working knowledge of Microsoft Office products.

Staff Accountant

What you'll get to do:

- You'll prepare tax returns across a variety of businesses.
- You'll deepen your technical skills and industry knowledge while growing your overall expertise.
- You'll perform audits, reviews, and compilations.
- Most importantly, you'll learn directly from experienced professionals from all levels of the firm.

What we need you to do:

- You must be a CPA or working towards licensure.
- You must have a bachelor's degree in accounting or related field.
- You must work full-time in our Reno or Carson City locations.
- You must have personal core values and goals that align with our firm and its culture.

Our goal is for interns to become full-time staff accountants. You'll learn directly from experienced professionals at all levels. Casey Neilon prides itself on its culture of coaching and mentorship.

Everyone at Casey Neilon truly cares about each other and our clients. I would encourage anyone looking for a more personal work experience to check out Casey Neilon. Here, you aren't just another number."

Join a team as committed to you as you are to it.

Casey Neilon is dedicated to the professional and personal growth of our team members. Ask around and you'll find that's far from just hot air. Our team is known for their commitment to reaching maximum potential, while helping our clients achieve theirs. We expect hard work, but we also want you to learn how to be the best accountant you can be. We feel the greatest reward we can give for your hard work is investing in you. You improve, which helps the team improve, and everybody wins together.

We constantly develop our team by providing the most current technology and tools, up-to-date and easily accessible technical resources, accountability for continuous education and personal improvement, and exposure to clients and their real-life issues. *Especially* the exposure to clients and their actual lives.

In addition, we guide each member through their career path with compassion and hands-on attention. We grow our talent internally, often beginning with internships that are designed to bring in new talent who will infuse the firm with fresh ideas and enthusiasm. We believe what interns lack in experience they more than make up for in expanding our thinking and growth potential.
