

CPAS AND ADVISORS

REAL PARTNERS. REAL INSIGHTS. REAL HELP.

As a real estate investor, you know that businesses in the construction and real estate development sector face significant and numerous challenges: rising costs, increased competition, a fluctuating marketplace, and significant economic pressure are just a few examples. Owners and managers make critical decisions for their business constantly. It isn't easy! You need real help from someone who is willing to truly partner with you and can give you insights that you don't have access to on your own. You need MRM.

A Half Century of Experience and We're Just Getting Started

MRM opened its doors more than 50 years ago with the dream of providing the finest tax, accounting, and consulting services so that our clients achieve their maximum potential. We've never lost sight of that goal and strive to achieve it every day. We want to understand your goals and then help you discover the strategies that will help you meet and surpass those goals. MRM is all about the long game with plans for your company's success and growth over the long-term.

As the saying goes, we're not just consultants, we're also clients. Many of our team members are real estate investors themselves. Not only do we know the real estate game, we've got skin in it.

You don't have to bear the burden alone. Let MRM give you comprehensive strategy created from a collaborative effort. Partner with MRM today!

Load Bearing Support

MRM is here to help you shoulder the weight of managing your business during every possible stage - from formation, to capitalization, to development, to management, to re-capitalization, to exit. We do this by leveraging excellence in these services:

- + Tax planning and compliance - federal and all 50 states
- + Outsourced accounting and payroll services
- + Financial statement preparation for investors and banks
- + Guidance when selecting legal entity and tax structure
- + Cash flow reporting
- + Foreign investor compliance
- + Section 754 elections
- + Passive activity losses
- + Planning for QBI deductions and business interest limitations
